**Mr. Jan Gejel - Senior European Project Manager and Learning Designer - Denmark**

Jan Gejel has been working with innovation in education in Europe for more than 15 years, including designing numerous educational, learning and capacity building projects at all levels.

Jan Gejel is recognized by many European professionals as a learning innovator of 21<sup>st</sup> century learning and is at the forefront of creating new learning opportunities and methodologies across Europe.

He is continuously working as a Commission evaluator and collaborates frequently with the Commission's Joint Research Centre. Jan Gejel has designed and carried out a large number of European training courses at European level. Jan Gejel is a professional in the *Working with Europe Association* based in Catalonia Spain. - [www.workingwitheurope.com](http://www.workingwitheurope.com)

**Short description of the training course:**

You and your team or your institution would like to start working with Europe, participate in European collaborative projects and receive funding from the European Commission's programs.

You will then enjoy an intensive course designed especially for your needs and interests, in which you will:

- learn about the relevant European programs, their policy and priorities;
- get insight into what application and project implementation is about;
- be introduced to how to create a first class application, based on our 15 years of European experience
- know about how to create an application step by step, from idea to budget
- be introduced to partnering, including being invited to use our wide European partner networks
- discuss how your ideas can be turned into competitive European concepts and projects.
- The intensive course can include developing long-term institutional strategies for European engagement, if this is a priority for the participants.
